Source TEA Core Standard Reports <http://ritter.tea.state.tx.us/adhocrpt/adste09.html>

Note: Student counts less than 5, but greater than 0 are masked as 'N/A' on web page reports or '-9999999' in comma delimited file reports in order to comply with FERPA. In this table, they are shown as 0. Some zeroes, however represent a true zero. This has the net effect of slightly under-reporting some values and percentages.

A blank cell, means absence of data for that year
