

The Strategic Plan in short

Vision:

Our vision is that the collaboration of business, education and community organizations to cooperate and share resources and ideas will bring about competitive world-class, lifelong-learning opportunities.

We envision an educational system serving citizens of SETX from early childhood through post-secondary that affords to each student the opportunity and support to gain the knowledge and skills to be career-ready and a strong, contributing citizen.

Southeast Texas P-16 Council Mission

To promote and advocate for the career-ready success of all students in Southeast Texas by building and sustaining collaboration, cooperation and sharing among business, government, community, and education.

Our Goals

- Change the education culture of SE Texas to one that is college going and career-ready.
- To see every SE Texas student succeed in post-secondary career-ready education

This year:

G1 -- Let data drive change

Become trusted, powerful source of change-formation

- Disseminate actionable data
- Strengthen stakeholders awareness

G2-- Convene, Collaborate and Communicate

Network toward change

- Use Champions Teams to drive solutions
- Convene for consensus
- Communicate cultural change

G3 -- Empower the stakeholders

Better Education-and-Career-Planning Tools

- Provide counselors with student career-focused toolkit

Core Values

Leading for Transformational Change

We represent committed leadership in our sectors and will use our positions and influence to drive systemic change. We support an inclusive, collaborative, cooperative process of positive transformation. We hold to the value of continued inquiry and data-driven decision-making.

Student Focus

We share the belief that every Southeast Texas student must have rigorous and robust education to develop his/her career in the knowledge economy.

Shared Commitment to Quality Education

We share a commitment to transforming the impact and success of education in Southeast Texas. We actively seek ideas to foster academic success for all students, and we encourage innovative strategies that support teachers, enhance teaching effectiveness and bring maximum support to each student's learning and career exploration.
